If you coming to visit from outside Toyama Prefecture to attend a convention such as an academic conference or sports tournament and plan to spend the night in Toyama, you can visit Toyama's sightseeing spots for half price using a taxi!

Visit some of Japan's most prominent sightseeing spots located in Toyama such as the Tateyama-Kurobe Alpine Route and the unexplored Kurobe Gorge while enjoying the delectable delicacies of the Toyama Bay's such as Toyama's famous firefly squid, "Shiroebi (White Shrimp)," and yellowtail. During your stay in Toyama, we also invite you to experience Toyama's history and culture through Toyama's World Heritage site, the Gokayama Gassho-style farmhouses, in addition to Toyama's designated National Treasure, Zuiryu-ji Temple and Owara Kaze no Bon Festival.

Our taxi drivers, fully trained through the Toyama Prefectural Sightseeing Guide Driver Training Class, will be sure to make sure your trip to Toyama is a special one.

In order to take advantage of the convention taxi service, you must have a special half-price ticket.

● If you would like to request ticket before your convention starts, please contact us using the below contact information.

● If there is a Toyama Convention Bureau Information Corner set up on the day of your convention, you may request a half-price ticket at the booth.

Ticket Usage

- 1 Pick a driver from the back of your ticket and call to make a reservation with the date you would like to use the taxi. Please also indicate that you would like to use the convention taxi service.
- 2 You may use your ticket to have a taxi pick you up at your hotel or any other spot that is convenient for you.
- 3 Please give your ticket to your taxi driver when you board the taxi.

Conditions of Use

- Only 1 half-price ticket will be allotted to a person (1 person) per a convention.
- You cannot use the convention taxi service to leave nor visit sightseeing spots outside of Toyama Prefecture.
- This half-price ticket will only cover the cost of taxi fees. It does not include the price of toll roads, parking lots, or entrance fees; these fees will be the burden of the user.
