
How to use the L^AT_EX Style File for English Manuscripts for JSAI20XX

The Program Committee of the JSAI20XX*¹ Second Author's Name*²

*¹ The Japanese Society for Artificial Intelligence *² Affiliation #2

Here is abstract (max. 150 words) in English. This file contains format guidelines for English manuscripts in L^AT_EX for the annual conference of JSAI. This is also a sample of the formatted manuscripts (See 2.3 for the writing abstract).

1. Introduction

This article contains format guidelines for authors contributing to JSAI 20XX using L^AT_EX. The conference proceedings will be distributed on a conference Web site containing PDF files prepared by the authors. To ensure that all papers in the proceedings have a uniform appearance, please refer to the following instructions. **This information may be updated even after it is released. Please confirm that it is the latest version before your submission.**

2. General Information

2.1 File format and size

The manuscript file should be a Adobe(R) PDF (Portable Document Format) file. The size of the manuscript file should be less than 3 Mbytes. The extension of the file name should be .pdf. The title of the paper and author's name(s) should be the same as those inputted in the application form.

2.2 Header

The conference name in the header and your paper ID should not be included, because the organizing committee will add them.

2.3 Abstract

Please include (1) the objective and (2) the outline of your conclusions of results in the abstract under the author information. Also, please state the outline of your method as necessary in the abstract. **Submissions without any description about (1) or (2) in the abstract may not be considered for presentation or publication.**

2.4 Paper length

The length of each paper is two (2) pages in A4 size paper. One or two additional pages can be included.

2.5 International session

English is the only acceptable language for the international sessions. Papers for the international sessions will be included in the conference Web site, from which selected papers will be included in the post-proceedings after substantial extension.

Contact: Name, Affiliation, Address, Phone number, Facsimile number, and E-mail address

3. Style file for L^AT_EX

When you use the style file for JSAI20XX named "jsaiac.sty", please specify a style option as follows;

For L^AT_EX 2.09,

```
\documentstyle[twocolumn,jsaiac]{article}
```

For L^AT_EX 2_ε,

```
\documentclass[twocolumn]{article}
\usepackage{jsaiac}
```

○ The first page: Please use the following commands;

- Title:

```
\title{Title of your paper}
```

- Name of authors:

```
\author{%
  Name of the first author\first{
  \and
  Name of the second author\second{
}
```

If the affiliations of authors are different, please use the following commands;

```
\def\first{\hbox{$\m@th^{\ast 1}$\hss}}
\def\second{\hbox{$\m@th^{\ast 2}$\hss}}
\def\third{\hbox{$\m@th^{\ast 3}$\hss}}
\def\fourth{\hbox{$\m@th^{\ast 4}$\hss}}
\def\fifth{\hbox{$\m@th^{\ast 5}$\hss}}
\def\sixth{\hbox{$\m@th^{\ast 6}$\hss}}
\def\seventh{\hbox{$\m@th^{\ast 7}$\hss}}
\def\eighth{\hbox{$\m@th^{\ast 8}$\hss}}
\def\ninth{\hbox{$\m@th^{\ast 9}$\hss}}
```

You should add the same commands for corresponding affiliations. If there is only one affiliation, the \first is not needed.

- Affiliations:

```
\affiliate{
  \first{ }Affiliation #1
\and
  \second{ }Affiliation #2
\and
  \third{ }Affiliation #3
}
```

- Contact address: Use the `\address` command as follows;

```
\address{name, affiliation, address,
telephone number, Fax number,
e-mail address}
```

◦ Misc.
